Whom it may concern

Warm Greetings,

I am writing this letter to apply at your company. first of all, let me introduce my self. Hi, my name is Arisqi Setyawan. I graduated from Universitas Jember and I'm a remote worker especially Mobile Developer, Backend Specialist and had strong experience as IT Supervisor or IT Manager bothly in fintech and admintech company. I am seeking a competitive and challenging environment where i can serve your company and establish an enjoyable career for myself. Because this is great opportunity for me. And this is my cover letter for your full consideration.

As you can see at my curriculum vitae. With my skills, experiences, and knowledge i believe i can give the best for your company.

For your full consideration. I attach here:

- Skill
- Portofolio
- Experience

Thank you so much for your time. I am looking forward to meet and great you in person at your company. Then i can explain a lot about my self and my motivation to work at your company.

Best Regards,

Arisqi Setyawan
